SUBJECT: Invitation to Attend Briefing of NRC Commissioners

[REDACTED]

25X1

Ken Cohen called to invite you and me to attend the subject briefing that will be presented by Jim Malone--his first ever appearance at the NRC. Ken thought it would be an appropriate occasion to meet the new Chairman, etc. (He, of course, didn't suggest that our presence might have the effect of keeping the Assistant Secretary on the right track!). Pakistan and Argentina are on the agenda for the briefing scheduled for 1030 hours, Tuesday, 13 October. Ken said Gary H. had additional details. If you wish to attend, [REDACTED] will confirm with Ken.
